Hunter-gatherer Foraging: Five Simple Models

By Robert L. Bettinger

Eliot Werner Publications Inc. Paperback. Book Condition: new. BRAND NEW, Hunter-gatherer Foraging: Five Simple Models, Robert L. Bettinger, Within the last three decades, foraging theory has established itself as a major cornerstone for both archaeological and ethnographic hunter-gatherer research. Until now, however, no introductory treatment has presented the subject in a form that was quantitatively explicit and yet easy to follow. Designed as an introduction to undergraduate and graduate students new to the subject, and as a refresher for professionals seeking to broaden their command, Hunter-Gatherer Foraging: Five Simple Models presents the five foraging models that lend themselves best to hunter-gatherer application: diet breadth, linear programming, front- versus back-loaded resources, technological investment, and field processing. Each chapter begins with a hypothetical hunter-gatherer problem and takes the reader through the steps needed to state such problems in quantitative form and solve them. Exercises (with answers) at the end of each chapter reinforce key concepts and methodology. From Reference and Research Book News. † A pioneer of hunter-gatherer foraging theory, Robert Bettinger offers a primer on foraging models for students new to them, especially those with little mathematical training; he also addresses professional ethnographers, ethnologists, and archaeologists who know the principles but...

Reviews

This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.

This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who state that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).
